

Description	Legal basis	Submit to	Comments
Reporting of working hours	Section 27 of the Management Regulations	PSA	
Cessation plan	Section 5-1 of the Act relating to petroleum activities Section 43 of Regulations to Act relating to petroleum activities Section 30 of the Framework Regulations	MPE, Ministry of Labour copy NPD, PSA	
Cessation of operations at onshore facilities	Section 31 of the Framework Regulations	PSA	
Drilling programme	Section 8 of the Resource Management Regulations Section 37 of the Management Regulations, the Guidelines litera b	NPD, PSA	NPD: drilling permit for exploration wells is granted based on the drilling programme. PSA: Application for consent with drilling programme enclosed.
Main Plan for drilling and well activities	Section 8 of the Resource Management Regulations Section 37 of the Management Regulations, the Guidelines litera a Guidelines for PDO and PIO Chapter 4.15	NPD, PSA	Submitted with PDO or application for exemption from such plan
Drilling and well activities. Information on formation test	Section 8 of the Resource Management Regulations (Section 48 of Regulations to Act relating to petroleum activities) Section 37 of the Management Regulations	NPD, PSA	
Drilling and well activities. Information on permanent plugback	Section 8 of the Resource Management Regulations	NPD	PSA: Only when consent is required
Drilling and well activities. Classification and reclassification of wells	Section 8 of the Resource Management Regulations	NPD	
Drilling and well activities.	Section 8 of the Resource Management Regulations	NPD	

Registration of wells and wellbores			
Drilling and well activities. Registration of shallow bore holes	Section 8 of the Resource Management Regulations	NPD	
Well programme in the event of a collective notice of termination of employment. Programme for plugback of the relevant wells	Section 39 of the Management Regulations	PSA	Applies in the event of labour disputes
Reporting of drilling and well activities. Daily	Section 38 of the Management Regulations Section 22 of the Resource Management Regulations	NPD, PSA	Reported daily to CDRS
Reporting during drilling and well activities. Special reporting for development wells	Section 22 of the Resource Management Regulations	NPD	
Final reporting of geo-technical and reservoir-technical well data	Section 24 of the Resource Management Regulations	NPD	Digital well data are submitted to PetroBank
Final report HSE; drilling	Section 37 of the Management Regulations and the Guidelines litera e	PSA	Shall be made available at the company's premises
Evaluation of a petroleum deposit	Section 16 of Regulations to Act relating to petroleum activities , Section 24 of the Resource Management Regulations	NPD	
General plans for drilling and well activities	Section 37of the Management Regulations, the Guidelines litera c	PSA	Monthly submission
Information regarding plans, budget, etc	Section 50 of Regulations to Act relating to petroleum activities	MPE, NPD	
Documentation in the early phase	Sections 4-2 and 4-3 of the Act relating to petroleum activities Section 26 of the	MPE, Ministry of Labour, NPD, PSA	

	Framework Regulations Guidelines for PDO and PIO Chapter 2		
Confirmation of notification and reporting to the supervisory authorities of hazard and accident situations	Section 29 of the Management Regulations	PSA	Written notification
Application for consent to name the field	Section 17 of the Resource Management Regulations	NPD	
Reporting of damage to load-bearing structures and pipeline systems	Section 36 of the Management Regulations	PSA	Reported to CODAM
Documentation of the measurement system in use	Section 29 of the Measurement Regulations	NPD	
Semi-annual CO ₂ reporting in connection with CO ₂ tax	Section 29 of the Measurement Regulations, Section 4 of the Act Relating to tax on discharge of CO ₂	NPD	
Information – fiscal measurements	Section 30 of the Measurement Regulations	NPD	
Application for consent - measurement system	Section 18 of the Measurement Regulations	NPD	
Offshore periods – application for extension	Section 42 of the Framework Regulations	PSA	
Notification of possible work-related illness	Section 32 of the Management Regulations	PSA (joint form for the PSA and the Norwegian Labour Inspection Authority and separate form for the Norwegian Labour and Welfare Administration (NAV))	
Notification of diving	Section 33 of the	PSA	

operations in connection with onshore facilities	Management Regulations		
Reporting accidents involving death or injury	Section 31 of the Management Regulations	PSA Madla Social Security Office (NAV form)	
Statement that production will not be commenced	Section 17 of Regulations to Act relating to petroleum activities	MPE copy NPD	
Status report at start-up of production	Section 26 of the Resource Management Regulations	NPD	
Application for production permit, including flaring and cold venting	Section 23 of Regulations to Act relating to petroleum activities	MPE copy NPD	
Annual status report for fields in production	Section 47 of Regulations to Act relating to petroleum activities , Section 29 of the Resource Management Regulations	NPD	
Daily information in the production phase	Section 27 of the Resource Management Regulations	NPD	To be made directly accessible on Licence web
Information regarding produced petroleum, etc. Monthly reporting of production data	Section 28 of the Resource Management Regulations	NPD	
Information regarding sale of petroleum, quarterly	Section 49 of Regulations to Act relating to petroleum activities Section 28 of the Resource Management Regulations	MPE	
Proposal for clarification programme for impact assessment in Plan for development and operation	Section 22 of Regulations to Act relating to petroleum activities	MPE	
Plan for installation and operation of facilities for transport and	Section 4-3 of the Act relating to petroleum activities	MPE, Ministry of Labour copy NPD,	

utilisation of petroleum	Section 28 of Regulations to Act relating to petroleum activities Section 27 of the Framework Regulations	PSA	
Plan for development and operation of petroleum deposits	Section 4-2 of the Act relating to petroleum activities Section 20 of Regulations to Act relating to petroleum activities Section 27 of the Framework Regulations	MPE, Ministry of Labour copy NPD, PSA	
Application for permission to develop new onshore activity	Section 28 of the Framework Regulations	PSA	
Information regarding future deliveries of rich gas and dry gas	Section 19 of Regulations to Act relating to petroleum activities	MPE	
Application for consent to conduct certain petroleum activities	Section 30a of Regulations to Act relating to petroleum activities and Section 25 of the Management Regulations	NPD, PSA	See separate guidelines regarding resource-related consent on the NPD's website
Application for Acknowledgement of Compliance for mobile facilities	Section 25 of the Framework Regulations	PSA	
Notification relating to entry into safety zones	Section 58 of the Framework Regulations	PSA (police authority, Joint Rescue Coordination Centre)	
Survey activities. Information no later than five weeks prior to start-up of the survey activities	Section 6 of Regulations to Act relating to petroleum activities Section 4, No. 1, of the Resource Management Regulations	NPD, the Directorate of Fisheries, the Ministry of Defence, the Institute of Marine Research	Fee for each survey to be paid to the NPD, cf. Sections 5 and 9 of the Petroleum Regulations
Survey activities. Weekly information while the survey activities are	Section 6 of Regulations to Act relating to petroleum activities	NPD, the Directorate of Fisheries,	

underway	Section 6 of the Resource Management Regulations	the Ministry of Defence, the Institute of Marine Research	
Survey activities. Notification of change	Section 6 of Regulations to Act relating to petroleum activities and Section 4, No. 3, of the Resource Management Regulations	NPD, the Directorate of Fisheries, the Ministry of Defence, the Institute of Marine Research	
Route surveys and other soil surveys	Section 30 of Regulations to Act relating to petroleum activities Section 7 of the Resource Management Regulations	NPD, the Directorate of Fisheries, the Ministry of Defence, the Institute of Marine Research	In the event of seismic data acquisition, information is to be submitted according to Section 4 of the Resource Management Regulations
Materials and information from survey/exploration activities	Section 20 of the Resource Management Regulations	NPD	
Logbook for fisheries expert	Section 21 of the Resource Management Regulations	NPD, Directorate of Fisheries and the Directorate of Fisheries' regional office in the relevant area	
Application for exploration licences	Section 3 of Regulations to Act relating to petroleum activities	NPD	Fee to be paid in advance to the NPD, cf. Section 5 of the Petroleum Regulations
Reporting of manned underwater operations from facilities or vessels	Section 35 of the Management Regulations	PSA	
Application for test production	Section 18 of Regulations to Act relating to petroleum activities	MPE copy NPD	
Extension of production licence; - Extension of initial	Section 14 of Regulations to Act relating to petroleum activities	NPD	

period - Transition to the extension period			
The Petroleum Register	Section 4-2 of the Petroleum Register	NPD	Signature required
Application for production licence	Section 8 of Regulations to Act relating to petroleum activities	MPE copy NPD	Fee to be paid in advance to the NPD, cf. Section 9 of the Petroleum Regulations
Material and information to be sent to other institutions	Section 40, litera c, of the Management Regulations, temporarily secured and abandoned wells (cf. Section 88 of the Activities Regulations)	PSA	Information to Notification to Seafarers and the fishery publications. Copy to the PSA.
